Third Quarter 2016 Provider Training Workshops

The schedule for the third quarter provider training workshops is available on the 2016 Nevada Medicaid Provider Training Registration Site. Please visit the registration site for locations, dates, times and length of sessions for the workshops.

The third quarter workshops include:

Topic	Course Description
New Provider Orientation	The New Provider Orientation is open to all new providers. This workshop will get you started billing Medicaid and provides information about getting started at www.medicaid.nv.gov.
Medicaid Basics	This workshop is open to all Medicaid providers and will include a high-level overview of the Medicaid program, website navigation, getting started on EVS/ARS, claims overview, and the benefits of using electronic billing (EDI).
Vision	This workshop is targeted to provider type 25: Optometry. The training will include the fundamentals of Nevada Medicaid, claims overview, and the benefits of using EDI. A guest speaker from the Division of Health Care Financing and Policy (DHCFP) will present the policy for this provider type.
Personal Care Services	This workshop will target provider type 30: Personal Care Services. The training will include the fundamentals of Nevada Medicaid, claims overview, and the benefits of using EDI. A guest speaker from the DHCFP will present the policy for this provider type.
Behavioral Health	This workshop will target Behavioral Health providers. The training will include the fundamentals of Nevada Medicaid, claims overview, and the benefits of using EDI. A guest speaker from the DHCFP will present the policy for this provider type.
Dental	This virtual workshop is targeted to provider type 22 (Dental) and will include a guest speaker from the DHCFP to discuss updates to Dental policy.
Nursing Facility Tracking Form	This virtual workshop will focus on the changes to the Nursing Facility Tracking Form. Information will include navigating the form, resolving validation errors and submitting attachments.
ICF/IID Tracking Form	This virtual workshop will focus on the changes to the Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) Tracking Form. Information will include navigating the form, resolving validation errors and submitting attachments.
