## Date: 05/11/07 Web Announcement 143

## **Urgent: EVS and ARS Systems Offline**

The Electronic Verification System (EVS) and the Nevada Medicaid Audio Response System (ARS) will be unavailable from 5 p.m. PT Sunday, May 20, until 8 a.m. PT Monday, May 21.

The regular weekly maintenance, which usually starts at 8 p.m. PT on Sunday, is beginning earlier than usual on that day to allow First Health Services to perform programming updates required for National Provider Identifier (NPI) implementation. Please see <u>Web Announcement 140</u> for timelines regarding the use of NPI and the new claim forms.
