Web Announcement 1780

## **Update Regarding Claims for Sterilization Procedures that Denied**

Update to [Web Announcement 1050](#): Claims submitted by provider types 11 (Hospital, Inpatient) and 75 (Critical Access Hospital (CAH), Inpatient) for sterilization procedures with dates of service on or after December 5, 2016, through December 5, 2018, that denied in error with edit code 0278 (Review of Sterilization Consent Form) will be automatically reprocessed. A future web announcement will notify providers when the claims are reprocessed.
