Web Announcement 2698

**Attention Provider Type 86 (Specialized Foster Care):**

**Claims for Recipients Enrolled in Both Nevada Medicaid Fee-For-Service (MCD) and Medicaid Fee-for-Service Child Welfare (MCDC)**

Provider type 86 (Specialized Foster Care) claims submitted for recipients enrolled in both Nevada Medicaid Fee-For-Service (MCD) and Medicaid Fee-for-Service Child Welfare (MCDC) have been paying through the MCD plan in error causing the claims to suspend and subsequent claims to deny. The Medicaid Management Information System (MMIS) has been updated to pay PT 86 claims correctly under the MCDC plan effective on claims with dates of service on or after January 31, 2022.

The suspended claims will be released for adjudication the week of January 31, 2022. After the suspended claims are released for adjudication, any of the subsequent claims that had denied because previous claims were suspending may be resubmitted.

Please note: When claims are reprocessed or released for adjudication, be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
