Web Announcement 2814

New and Clarified Statuses for Provider Enrollment Applications

Update to [Web Announcement 2732](#): Effective June 20, 2022, new and clarified provider enrollment application statuses have been incorporated in the Online Provider Enrollment tool to assist providers in managing the progress of their applications. Please review the application statuses listed in the updated [Online Provider Enrollment User Manual Chapter 1 – Getting Started](#) for explanations of the potential enrollment application statuses.
