Web Announcement 2865

Attention Behavioral Health Providers: Updated Form FA-11B for Mental Health Request for Partial Hospitalization Program (PHP) and Intensive Outpatient Program (IOP) Services

The Division of Health Care Financing and Policy (DHCFP) has updated the Mental Health Request for Partial Hospitalization Program (PHP) and Intensive Outpatient Program (IOP) Services prior authorization request form FA-11B. **Please use the new form effective immediately.**

The information requested has been updated for the **Treatment Plan** (formerly listed as “Current Symptoms”) and **Days of the Week Treatment Provided** sections on the form.

[Web Announcement 2415](#) provides information regarding the Medicaid Services Manual (MSM) Chapter 400 policy updates for PHP and IOP services effective January 2021. Accepted PHP and/or IOP documentation must be on file with DHCFP to submit prior authorization for recipient services.

Form FA-11B is used for initial prior authorization (including retrospective) and for concurrent authorizations; it is also used for transfer between Partial Hospitalization and Intensive Outpatient programs, as medically necessary and clinically indicated. The updated form FA-11B is available online on the [Providers Forms](#) webpage.
