Providers Are Invited to Join their Staff in Attending Annual Medicaid Conference

Providers are invited to join their billing staff, clinicians and front office staff in attending the Annual Medicaid Conference, which will be held Oct. 14, 2009, at the Reno/Sparks Convention Center in Reno and Oct. 21, 2009, at the Cashman Center in Las Vegas.

The Division of Health Care Financing and Policy (DHCFP) and First Health Services are hosting the Conference, which presents current and upcoming policy information for all providers followed by “Break-out Sessions” where provider type specific instruction will take place in individual conference rooms.

Providers themselves are encouraged to attend the Conference along with their staff to learn about new Medicaid policy, prior authorization procedures, and Medicaid coverage changes specific to their provider types. The Conference gives providers the opportunity to familiarize themselves with the Medicaid billing process their staff must follow to ensure that claims are submitted accurately and are paid in a timely manner.

Each day of the Conference has a morning session and an afternoon session, which are identical. Please register for either session. If you have not yet registered for the Conference, you still can by completing and faxing the [2009 Provider Training Registration Form](#).

The Conference is free of charge to Nevada Medicaid/Nevada Check Up providers and staff.
