Nevada Medicaid Web Announcement 3082

2023 Annual New Code Update: Rates Have Been Entered and Suspended Claims Have Been Released

Update to [Web Announcement 3017](#): Rates for the new 2023 codes have been added to the Medicaid Management Information System (MMIS). Effective with dates of service on or after May 22, 2023, claims for new 2023 Current Procedural Terminology (CPT), Healthcare Common Procedure Coding System (HCPCS) and American Dental Association (ADA) codes will adjudicate without first being suspended due to rates not in the system.

The rates are effective on claims with dates of service on or after January 1, 2023. Claims with new 2023 codes submitted with dates of service on or after January 1, 2023, that suspended with error code 853 (HCPCS - Annual Update - Suspend Claims) have been released for adjudication. Results of this adjudication will appear on remittance advices dated June 2, 2023.

When claims are reprocessed or released for adjudication, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
