**Nevada Medicaid Web Announcement 3115**

## **Public Workshop Scheduled July 17, 2023, Regarding Needs Assessment for Nevada's Aged, Blind and Disabled (ABD) Population**

The Division of Health Care Financing and Policy (DHCFP) invites providers to attend a stakeholder engagement session related to the Aged, Blind and Disabled population scheduled for 1 p.m. Pacific Time July 17, 2023. Please see the attached [Public Notice agenda](#) for attendance instructions. The meeting agenda and project overview are posted on the DHCFP Public Notices webpage: <https://dhcfp.nv.gov/Public/AdminSupport/PublicNotices/>

The DHCFP is bringing together Nevada's key stakeholders to gather information for Nevada Medicaid's needs assessment on the current health service delivery models for Nevada's aged, blind and disabled (ABD) population. The needs assessment is being conducted by Health Management Associates (HMA) who will assist the Division in research and facilitation of focus groups regarding considerations for home and community based valued-based purchasing, Program of All-Inclusive Care for the Elderly (PACE) models, and managed long-term services and supports. The information gathered will assist the State in future decisions to improve the health service delivery models for Nevada's ABD population.
