Web Announcement 3207

Prescription Discount Cards

Applying prescription discount cards and related programs is prohibited when submitting claims to Nevada Medicaid. Prescription discount cards and related programs may not be combined with Nevada Medicaid prescription coverage or included as part of any claim submission to Nevada Medicaid.

Providers will be responsible for the full claim amount and not eligible for reimbursement for claims submitted in combination with or including a prescription discount card.

For more information, please refer to the Nevada Medicaid and Nevada Check Up Pharmacy Manual:
