Crossover Claims That Had Negative Payment Amounts from Medicare Have Been Reprocessed

Crossover claims to Nevada Medicaid that had a negative payment amount from Medicare have been reprocessed automatically by Nevada Medicaid to adjudicate correctly. The impacted claims had dates of service on or after February 1, 2019, and processed prior to September 22, 2023.

Results of the reprocessed claims appear on remittance advices dated January 12, 2024. When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
