Web Announcement 334

Attention PT 33 Providers of Diabetic Shoe-related Services

Medicare no longer covers the following two HCPCS codes relating to shoes for diabetics: A5508 (Diabetic deluxe shoe) and A5510 (Compression form shoe insert). Effective with dates of service on or after May 31, 2010, Nevada Medicaid will no longer cover the above procedure codes.

The [DMEPOS Fee Schedule](#) will be revised to reflect the above change.
