## COVID-19 UNWIND: Claims for COVID-19 Administration and Vaccine Procedure Codes Reprocessed

Update to [Web Announcement 3241](#): Claims for the COVID-19 vaccine administration and vaccine procedure codes listed in Table 1 below submitted by the provider types listed in Table 2 below may have been denied in error following a previous claim reprocessing effort. The impacted claims with dates of service on or after September 11, 2023, through November 18, 2023, have been reprocessed again to adjudicate correctly.

Results of the reprocessed claims appear on the remittance advice dated June 29, 2024. When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
