Nevada Medicaid Web Announcement 3394

2024 Annual New Code Update

Update to [Web Announcement 3278](#): Rates for the new 2024 codes have been added to the Medicaid Management Information System (MMIS). Effective with dates of service on or after May 28, 2024, claims for new 2024 Current Procedural Terminology (CPT), Healthcare Common Procedure Coding System (HCPCS) and American Dental Association (ADA) codes will adjudicate without first being suspended due to rates not in the system.

The rates are effective on claims with dates of service on or after January 1, 2024. Claims with new 2024 codes submitted with dates of service on or after January 1, 2024, that suspended with error code 853 (HCPCS - Annual Update - Suspend Claims) will be released for adjudication at a later date. Results of this adjudication will appear on a future remittance advice.

When claims are reprocessed or released for adjudication, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
