Nevada Medicaid Web Announcement 3446

Attention Provider Type 38 (Waiver for Individuals with Intellectual and Developmental Disabilities):

Procedure Code T2025 Modifiers are Replacing Procedure Code T2017 Modifiers When Billed with T2016

Effective with dates of service on or after June 30, 2024, procedure code T2025 (Waiver services; not otherwise specified) with modifiers has replaced code T2017 (Residential habilitation, waiver, 15 minutes) with modifiers when billed with code T2016 (Residential habilitation, waiver, per diem) for provider type 38 (Waiver for Individuals with Intellectual and Developmental Disabilities). See the table below for the previous T2017 modifiers and the corresponding replacement T2025 modifiers, effective April 1, 2024. These T2025 modifier combinations will be updated in the Medicaid Management Information System (MMIS) to reimburse at the same rates as the T2017 modifier combinations they are replacing when billed with T2016.

Previous T2017 Modifier	New T2025 Modifier
T2017 HN	T2025 HN, UD
T2017 HN TN	T2025 HN, TN, UD
T2017 HM	T2025 HM UD
T2017 HM TN	T2025 HM, TN, UD
T2017 GF	Obsolete as of June 30, 2024

No claims will be reprocessed automatically. Claims submitted with the T2017 modifiers above with dates of service on or after January 1, 2024, that denied with error code 5093 (NCCI PTP conflict pract mods can't bypass) must be resubmitted.
