The following updates are effective for claims submitted by provider type (PT) 33 (Durable Medical Equipment (DME), Disposable, Prosthetics) with dates of service on or after November 18, 2024, for Healthcare Common Procedure Coding System (HCPCS) codes that use the RB (Replacement part furnished as part of a repair), RR (Rental of DME) and MS (6 month maintenance and servicing for reasonable and necessary parts and labor) modifiers:

- The RR modifier can only be used to rent durable medical equipment for 10 months to meet the NU or blank modifier price or for rental-only equipment when listed on the max fee schedule.
- The RB, RR and MS modifiers cannot be billed at the same time in any combination for the same HCPCS code and month.
