

## **Web Announcement 55**

### **Attention Provider Type 19 (Nursing Facility) Billing for Leave of Absence:**

Please follow these new instructions for billing Leave of Absence (LOA) days: Use Revenue code 0183 to bill for up to 24 LOA days per calendar year per recipient. On the first claim line of the UB-92 claim form, enter Revenue code 0101 or 0123 and the number of days the recipient spent in the nursing facility. On the second claim line, enter Revenue code 0183 and the number of LOA days for the billing period. The sum of the days shown on these two claim lines must equal the total number of service days entered in Field 7.

The instructions are also posted in section “19 Nursing Facility” in “Chapter C” of the Nevada Medicaid and Nevada Check Up UB-92 Billing Manual. The manual is online at <https://medicaid.nv.gov>; select “Billing Manuals” from the “Providers” drop-down menu.
