Effective April 1, 2013, the State of Nevada, including the Division of Health Care Financing and Policy (DHCFP), will transfer banking services from Bank of America to Wells Fargo. Wells Fargo will begin sending Electronic Funds Transfers (EFTs) to Nevada Medicaid/Nevada Check Up providers beginning with the remittance advices (RAs) dated April 5, 2013. Nevada Medicaid Management Information System (MMIS) generated checks that are mailed to providers will be paid from the Wells Fargo account beginning April 5, 2013. Beginning March 25, 2013, manual checks that are mailed to providers will be paid from the Wells Fargo account.

Also effective with the April 5 RA, providers will receive EFT payments two business days earlier than presently. EFT payments will be made on Fridays, instead of on Tuesdays.

No action is required by providers.
