March Provider Training Reminder

The HP Enterprise Services (HPES) training team will conduct several virtual room workshops in March.

- New Provider Training is designed for users new to Nevada Medicaid and Nevada Check Up. This course provides assistance with some of the tools available to make finding claim or payment status and recipient eligibility easier.
- PayerPath workshops are tailored to the completion of the specific claim form type used for your provider type.
- Prior Authorization Submission will focus on how to create and manage prior authorizations, view completed prior authorizations and find resource and contact information.
- Program Integrity will provide information about the three distinct programs the Division of Health Care Financing and Policy (DHCFP) has to assist in ensuring the fiscal integrity of the programs it administers. The three programs are Surveillance and Utilization Review (SUR), Payment Error Rate Measurement (PERM) and Financial and Compliance Audit.
- The Provider Web Portal & Understanding Eligibility workshop will assist providers and staff with portal navigation and understanding the different eligibility benefits lines found in the Electronic Verification System (EVS).
- Introduction to Becoming a Nevada Medicaid Provider is offered for those interested in understanding what the Medicaid Program in Nevada entails and will focus on information, applications, public websites and general information that will assist providers in making an informed decision. This is for persons not already enrolled with Nevada Medicaid.

Please review the dates, times and topics below and register now by using the [2013 Provider Training Registration Form \(FA-41\)](#). All times indicated are Pacific Time (PT). For questions, contact the HPES Training Department at NevadaProviderTraining@hp.com or (877) 638-3472, option 2, then option 0, then option 4.
