Attention Provider Type 39: Regarding Adult Day Health Care (ADHC) Authorization Notices

Effective **July 8, 2014**, HP Enterprise Services (HPES) will no longer fax a courtesy authorization notice to provider type 39 (Adult Day Health Care). You can check your authorization status by using the Electronic Verification System (EVS).

To access EVS, visit the Nevada Medicaid website at www.medicaid.nv.gov. Select the "EVS" tab to review the User Manual and to register or login to EVS. EVS is available 24 hours a day, 7 days a week, except during maintenance periods. For assistance with obtaining a secured login or accessing EVS, contact the HPES Field Representatives at NevadaProviderTraining@hp.com.
